CUEF Pro +, professionalization in FLE professions

With nearly 40 years of experience in the training of teachers of different nationalities and involved in various educational environments, the CUEF of Grenoble is a university center recognized worldwide.

The CUEF of Grenoble

The CUEF of Grenoble offers a variety of trainings to best match the needs in initiation or advanced trainings in the teaching of French as a foreign language. The CUEF has earned the 3 stars of the “FLE quality” label.

involved in the various exam and certification sessions.

These active and expert teachers are open to pedagogical innovations and lead the various training courses for trainers.

A team of experts for a renowned establishment

The CUEF has around forty teachers and didactic specialists with multiple areas of expertise, among which are several authors of reference books and methods.

This dynamic teaching team teaches more than 3,000 students a year, from around a hundred different countries. The CUEF teachers are also

And also... an international player

The CUEF offers training abroad, as part of training and expert missions in different countries, face-to-face or remotely.
